IBM Cognos Business Insight Advanced: Author Self-Service Reports (V10.1)
B5181G

Delivery Type: Classroom
Duration: 2 days

Overview

IBM Cognos Education is now pleased to offer you our courses in an exciting new learning format, Instructor-led Online (ILO). Students are offered a similar experience to live classroom training, with the convenience of having it delivered directly to their desktop.

The IBM Cognos Business Insight Advanced: Author Self-Service Reports (V10.1) course will be offered globally as a 2-day Instructor-Led Training course. This course will develop the skills the participants will need to use IBM Cognos Business Insight Advanced to create effective reports. This course is part of the customer education offerings timed for version 10.1 release of IBM Cognos Business Insight Advanced (currently scheduled for October 19, 2010). This course will contain topics related to creating reports with IBM Cognos Business Insight Advanced for the business author.
