CCIE Security - Lab Preparation

CCIESEC

Delivery Type: Classroom

Duration: 5 days

Overview

This course focuses on providing the skills to achieve the highest level of technical knowledge and expertise across a broad range of security and internetworking-related technologies. It would also solidify your existing knowledge, fortify any knowledge gaps that exist, and put your skills to the test in a hands-on environment designed explicitly for candidates of the CCIE Security Lab Exam.

Pre-Requisites

✓ It is recommended to have a CCSP-level of knowledge.

Target Audience

✓ Candidates that need to acquire their CCIE Security certificate.
✓ Network engineers/designers that need to raise their knowledge to an expert-level.
